Gov. James presented me two positions from which to choose from, that of being District Secretary or GML Editor-In-Chief. Without much hesitation, I chose the latter, thinking it would provide me a breathing spell after serving as Club President. It doesn't seem to be the case. But of course, I cannot say No to Gov. James. He was my sponsor when I came back to the folds of Rotary in 2006. He also graciously accepted to be my Club Secretary during my Presidency. So I stand committed to his Governorship. That's how Rotary works. *Bigayan...*so to speak.

I did not also have any qualms about taking the job because I know D3850 has a lot of good writers from among its ranks. I am therefore soliciting this early any feature articles, columns, photos and what have you to make our GML an interesting and worthwhile reading material. Knowing the kind of stuff that Rotarians of D3850 are made of, I am pretty confident that we will be able to put up another set of insightful GML for RY 2010-2011.

So my dear fellow Rotarians, let's make our GML....GALVANIZING, MEANINGFUL, and LEARNATIVE consistent to the Bigger, Better and Bolder slogan for Rotary Clubs this year. God bless D3850.

Yours in Rotary Service,

IPP Emilio "Emil" Aquino, MPHF

## Winds of Change

What an amazing world! Advances in technology are happening so quickly that they cause constant changes in our businesses and professions. Yet about one-third of the world's population is still living at a subsistence level with little change in their lives. It is a stark contrast and a cause for concern.

Rotary has both a distinguished heritage and a bright future. My primary task as president is to enhance the vitality and viability of Rotary clubs and to enable them to succeed in the midst of societal changes. This is an important task because it is the clubs that address and alleviate the root problems of society and thereby make the world a better place.

Wind of change was a new and significant phrase when I was a Rotary Scholar in South Africa in the early 1960s. It is serendipitous that the phrase that was first publicized in my host city of Cape Town is now applicable to Rotary as we contemplate the changes in society that dictate some corresponding changes in our organization. The phrase is now better known as winds of change.

We are currently enjoying a culture of innovation at Rotary International. We have the ability to look at all of our programs and practices to see if they can be improved, even as we steadfastly maintain our core values. I hope many Rotarians will take advantage of this opportunity to identify and implement improvements in their clubs and districts as well.

Rotary lives and breathes in our 33,000 clubs, and it is the clubs that improve lives by Building Communities – Bridging Continents. If we succeed in helping clubs to become Bigger, Better, and Bolder in the next year, then it will be clear that the best days of Rotary are still ahead. We are fortunate to be Rotarians! Together, we can make the world a better place!

RAY KLINGENSMITH  
R.I. President  
RY 2010-2011

GOVERNOR’S MESSAGE

DG JAMES “McGyver”  
MAKASIAR, MPHF  
RY 2010-2011

With great pride, privilege and pleasure, I take over the helm of Rotary International District 3850 as this year’s Governor with the theme: *Building Communities and Bridging Continents*.

I am confident that the Rotarians of D3850 particularly the District Officers and the Club Presidents have well-thought out plans and programs with the ultimate goal of serving and meeting the needs of communities as well as linking and creating ties with Rotarians in other parts of the world.

In a nutshell, Rotary is all about Service and enjoying the fellowship with our Rotary family in the clubs, the Zones and other Districts both locally and globally. This is the underlying philosophy from where R.I. President Ray Klinginsmith has lifted our present Rotary theme.

I therefore beckon my classmates in D3850 particularly the Club Presidents to use as road map the new citation program of our R.I. President in pursuing their activities. It puts all the four avenues of service in equal footing and with identical emphases. I urge you to take that challenge of R.I. President Ray to aim for the higher-level

“Presidential Citation with distinction”. While admittedly, a bit difficult to attain, the challenge is something worth hurdling because in the process of doing so, we do what we do best... that of serving the least of our brethren and having fellowship with our well-meaning colleagues.... with even much fervor and dedication.

I know that I am succeeding one of the most successful District Governors of Rotary International D3850. I congratulate immediate Past District Governor Edgar Sy for a job well done and wish him well in his future endeavors.

To my fellow Rotarians, thank you for the trust and confidence you reposed upon me. With God’s grace and our unified efforts, WE WILL SUCCEED. *Muchas Gracias*.
