Our Vocation.....
Our Ticket to Rotary

The month of October is Rotary International's Vocational Service month. Many clubs aggressively pursue projects which fall under other avenues of service, but put vocational service among the least of their priorities. In celebration of the Vocational Service month, we are reminded of the importance of our vocations since we follow the classification rule...which mandates membership committees to consider a prospective member who must have a specific field of expertise or vocation before the doors of Rotary would open for him.

For the 2010-2011 Presidential Citation, RI President Ray Klinginsmith drew up the vocational service projects that would count under his term, as follows:

Q' Has your club sponsored an effective Four-Way Test essay or speech competition for young people within the past 12 months? (5 points)

Q' Have your club members been actively involved in providing career information for local school students within the past 12 months? (5 points)

Q' Have four or more of your club meetings been devoted to vocational service topics during the current Rotary year? (10 points)

Q' Has your club utilized classification talks by club members for at least three club meeting programs during the current Rotary year? (5 points)

Q' Has your club recognized the importance of high ethical standards and public values by giving an award, within the past 12 months, to honor an individual who exemplifies such traits? (5 points)

Q' Has your club recognized the importance of high ethical standards and public values by giving an award, within the past 12 months, to honor a business or other organization that actively promotes such traits? (5 points)

Q' Has your club developed and initiated a new vocational service project during the current Rotary year? (5 points)

Q' Does your club routinely provide a copy of The Four-Way Test and the Declaration of Rotarians in Businesses and Professions to all new club members as they join the club? (5 points)

Q' Did your club observe Vocational Service Month in October of 2010 with a special club program or other event? (5 points)

How does your Rotary Club fare in the aforesaid vocational service activities? You must have at least 25 points in this avenue to be eligible for a citation or 35 points for a distinction.

Whether you are gunning for a citation or not, let's not forget that a Rotarian must have a vocation and must uphold high ethical standards thereat. So it is not enough to be a professional or businessman with some degree of clout, it must be carried out or pursued with a high ethical level as well.

Reach Out to Africa

I was a Rotary Scholar at the University of Cape Town in 1961. During my year there, I traveled 16,000 miles through South Africa and the countries now known as Zimbabwe, Zambia, and Namibia. I visited 35 Rotary clubs, met countless Rotarians, and became immersed in the rich culture of Southern Africa.

During my initial visit, I developed a deep appreciation for both the traditions and the challenges of life in Africa, and my respect and admiration for the land and people have caused me to return several times as a Rotarian. Now – almost amazingly – I have a unique opportunity to use my experience as a Rotary Scholar to enhance the role of Rotary in Africa!

This is the fourth year of the Reach Out to Africa (ROTA) initiative, and the ROTA Committee for this year has been streamlined to move more quickly and efficiently to achieve its goals. We need to increase the number of Rotarians in Africa! I also hope to see a substantial increase in international service projects for Africa, particularly those projects with assistance from The Rotary Foundation. The ROTA Committee has an excellent website, and I encourage all Rotarians to review it at www.reachouttoafrika.org.

I have implemented two new activities this year to make it easier for Rotarians to visit Africa and to increase their involvement in international service projects. The first is Ray's Rotary Reunions, to be held in Cape Town 3-5 February, and I hope many Rotarians will join me in the Fairest Cape for that event. The second, Rotary Project Safaris, will facilitate visits by Rotarians to the areas of the world where poverty is prevalent, and where local Rotarians have developed many beneficial projects that need financial assistance. More information about the reunions and the safaris is available on the RI president's pages at www.rotary.org/president. Please contact elsa.sanabria@rotary.org for any needed assistance.

I am proud to be a product of The Rotary Foundation, and it will be the most significant achievement of my presidency if I can serve as a catalyst to enhance Rotary in Africa! So come join me for the reunions and the safaris. Help me to complete the circle from being a Rotary Foundation Scholar in Africa to helping Rotary in Africa to be Bigger, Better, and Bolder! (Watch a video invitation from the president.)

GOVERNOR'S MESSAGE

DG JAMES “McGyver”
MAKASIAR, MPHF
RY 2010-2011

Most of our clubs, have not been very active in pursuing Vocational Service projects because clubs have been pre-occupied in rendering service projects to our communities. Of course, bigger clubs have very laudable vocational service projects to dignify and recognize vocations. These clubs undertake searches for Outstanding College Professors, Police Officers, Public School Teachers, Salesladies, Porters etc.

Beyond recognizing worthy vocations or professions of others, I encourage Rotarians in our District to cultivate a life that exemplifies Rotary’s commitment to Ethics in business and profession, and that Rotary clubs continue to build upon their significant record of attracting and seeking out individuals who exemplify high ethical standards.

Also during this month, I highly encourage Clubs to conduct career talks in public schools and share their personal stories of their vocation and profession. Let the students know the many options available to them after high school. And how hard work, perseverance and positive attitude can make them attain their dreams, including serving others above self.

During this month, we are expected to emphasize the involvement of Rotary Clubs in the every day practice of the ideals of Vocational Service. I wish to reiterate the Statement on Vocational Service as outlined in our Manual of Procedures.

“Vocational Service is the way Rotary fosters and supports the application of the ideal of service in the pursuit of all vocations. Inherent in the vocational service ideal are:

1. Adherence to and promotion of the highest ethical standards in all occupations, including faithfulness and fidelity to employers, employees and associates, and the fair treatment of them and of competitors, the public and all those with whom one has any business or professional relationships.
2. The recognition of the worthiness to the society of all useful occupations, not just one’s own or those pursued by Rotarians.
3. The contribution of one’s vocational talents to the problems and needs of society.

Vocational Service is the responsibility of both a Rotary Club and its members. The role of the club is to implement and encourage the objective by example and by the development of projects that help members contribute their vocational talents. The role of members is to conduct themselves, their businesses, and their professions in accordance with Rotary principles and to respond to club projects.”

SPOUSES CORNER

LADY MARIA TERESA
“Tess” MAKASIAR, PHF

My family and I were in Bacolod for three days for the Joint Governor’s Address last September. PDG Nanette Garcia hosted us on the first day. AG Bert Nellas and Spouse Lang-Lang with Emily, spouse of DGN Biboy Jocson, hosted us on our second day. The two days made us love Bacolod. Good food and beautiful places especially the “Ruins”. The clubs entertained us with songs and dances and we are looking forward to a good attendance from these clubs for the conference next year. The “City of Smiles” brought smiles to our faces and in our hearts as we enjoyed the company of the people who were with us and giving back our smiles to say thank you.

Being with the three clubs of Roxas City last October 27-30, 2010, made me learn so many things. It deepened my understanding of what Rotary is in the view of a Rotarian. I am glad that they were open to suggestions and receptive to the ideas shared by Gov. James. I had the opportunity to sit and talk with the Spouse Club of the Rotary Club of Metro Roxas and Mommy Emper, a spouse, took notes of the things I shared about our existing projects. Coming from a club where spouses are really involved will definitely pave the way for them to be supportive of the Rotarians .

We are looking forward to our next club visits.

Joining Governor James in his club visits around District 3850 is something I was looking forward.

The Joint Governors Address in Iloilo last August 14 gave me the opportunity to meet the Rotarians and Spouses. It was a very short stay but I may say worthwhile because of the fun, good performance and presentations and most of all making new friends and convincing them to attend our District Conference in April 1, 2 and 3, 2011.

ROTARY EXCHANGE STUDENT, 2010-2011

Name of ROTEX : TONI ANN T. SANTAMARIA
Age : 15 years old
Sponsoring Club : Rotary Club of Kalibo
Sponsoring District : D 3850
Host Club : Rotary Club of Evergreen, Evergreen, Colorado, USA
Host District : D 5450, Colorado, USA

Toni Ann T. Santamaria is now a senior student (grade 12) at Evergreen High School, Evergreen, Colorado, USA. She is the youngest in the senior class. In Evergreen High School, she is a member of the school's choir, debating team, writer's club and Interact club. Rotary Exchange Program has broadened her horizon and made her gain a lot of friends from different countries. Being an exchange student is a life-defining experience for her.

Here are some of what they say about our Exchange student from the Philippines:

" Toni is having a fabulous experience here and loves everyone she meets. Also, I thank you so much for the upbringing that has created such a special child. She is polite and loving and so easy to please. Anything you do for her she is so excited and so appreciative. It has made our first experience as a host family one that we have enjoyed immensely and one we will never forget." John and Barbara Wingate- First Host Family

"We love your daughter; she is doing great." Ben Allen, Rotary Club of Evergreen, RYE Chairman

"Toni Ann has been a wonderful exchange student. Thank you for sharing her with us this year." Nancy Stocker, RYE District Committee, D5450.

District Governor James Makasiar together with Pres. Dial and 15 members of the Rotary Club of Iloilo South during the feeding project & gift giving for the children of an adopted day care center in brgy. Cubay, Jaro last August 13, 2010. A total of 100 children were fed.

REYNALDO “REY” S. ORTIZ

This ten-year old Rotarian took the helm of the Rotary Club of Pagadian West barely on his third year as a Rotarian. This means that he was elected as President Nominee immediately upon entry to the club.

Once called the club's maverick Rotarian, he introduced a number of novelty ideas which had the club holding two major activities every month during his term as president. This marked the turning point of what once was a moribund club into one which its members can be proud of. AG Rey was the District Vocational Service Chair during last rotary year and presently, the Assistant Governor for Zone 9 which includes the Rotary Clubs of Ozamis North, Pagadian and Pagadian West.

A doctor by profession, AG Rey had his pre-med at the University of the Philippines in the Visayas. He obtained his Doctor of Medicine degree from the Cebu Institute of Medicine. He finished his residency in Internal Medicine at the Silliman University Medical Center becoming its Chief Resident on his senior year.

He is married to Jane Frances Guangco, a former banker and life insurance company manager and they are blessed with three exceptionally talented kids: Reyna Frances, who writes stories at the tender age of 14; Jan Reynee, who is just 10 years old and excels in arts; and Reynald Frances, now 8, a gifted child who started singing at 3.

THE ROTARY FOUNDATION

September 2010

Dear District Governor:

The Rotary Foundation is pleased to enclose the 2009-2010 Annual Giving recognition banners with congratulatory letters, and the Rotary's US\$200 Million Challenge Certificates of Appreciation for the clubs in your district that may be eligible to receive one or more of the following recognitions:

- **Top Three (3) Highest Per Capita Annual Giving Banner:** awarded to the top three per capita giving clubs in every district per eligibility (requires a minimum US\$50 per capita).
- **100% Rotary Foundation Sustaining Member Club Banner:** awarded to clubs with every active member of the club personally contributing US\$100 or more to the Annual Programs Fund during the Rotary year based on membership as of 30 June.
- **Every Rotarian, Every Year Club Banner:** awarded to clubs that achieve a minimum US\$100 per capita with every active member personally contributing some amount to the Annual Programs Fund during the Rotary year based on membership as of 30 June.
- **Rotary's US\$200 Million Challenge Certificate of Appreciation:** awarded to those clubs that contributed US\$2,000 or more to Rotary's US\$200 Million Challenge.

The recipients of the banner recognition and certificate are identified on the enclosed reports. It is recommended that presentation of these recognitions be done in collaboration with the 2009-2010 District Governor during a noteworthy event. Any club receiving an Annual Giving Banner Recognition should also receive one of the enclosed congratulatory letters.

These clubs should be proud of their accomplishment and deserve your commendation. I encourage you to publicize their achievements during the celebration of Rotary Foundation Month in November and in your district newsletters. High visibility of this recognition, combined with promotion of all Foundation programs, serves to raise clubs' awareness as well as encourage members to increase their Annual Programs Fund and Polio Plus contributions.

Thank you for your support of The Rotary Foundation. Please visit the *Every Rotarian, Every Year* Newsletter page at www.rotary.org for new fundraising strategies and ideas to help the clubs in your district achieve great success in 2010-2011. With the financial support of Every Rotarian, Every Year, our Foundation may continue *Building Communities, Bridging Continents*.

Sincerely,

Erik Schmelling

THE 4-way TEST

of the things we think, say or do

1. Is it the **TRUTH**?
2. Is it **FAIR** to all concerned?
3. Will it build **GOODWILL** and **BETTER FRIENDSHIPS**?
4. Will it be **BENEFICIAL** to all concerned?
