THE UNSUNG
WORKERS OF
THE DISCON

The Zamboanga Discon 2011 was a resounding success. Kudos to Gov. James Makasiar and his Lady Tess. It was a collective effort of all the Zamboanga Rotary Clubs that made it a Discon that will be long remembered by its participants and organizers. But aside from the Rotarians, there were non-Rotarians who gave their all to this memorable affair. We have the spouses who moved heaven and earth to put up one great entertainment package for the attendees. In fact, early on they were seen to be even more into the preparations than the Rotarians themselves. Led by Lady Tess, the Anns went on a club to club campaign to ensure that the most number of Rotarians and Anns will be in attendance and that they support in the fund raising to cover the costs of the three day affair.

From the actual bancas to the fish nets, jute sacks, treasures, skeletons, centerpieces or just anything pirate, the Anns left no stone unturned in rummaging the entire stretch of Zamboanga for them. Costumes were also tailored if not imported for that complete Pirates of the Caribbean look. Special mention is in order to Alan dela Cruz whose creativity has never ceased to amaze us. He helped spruce up Astoria Regency into one realistic pirate cove. Same goes to Joey Mariano and his pirate dancers who went on weeks of preparation for the stunts in their grand production number and other performances. That only meant more personal supervision by the Anns and the added job of feeding these young dancers to make them strong enough to execute their complicated pirate antics.

The stress was terrific. It took its toll on some Rotarians and Anns who got ulcers as the days came closer to the actual conference. There were fireworks alright.....but all because everyone wanted to come up with a superb and auspicious Discon.

There is another set of individuals who pumped a lot of man hours to ensure that the Rotarians and their clubs are duly recognized during the Discon for their exemplary leadership and service for this Rotary year. We are referring to the Awards Committee led by PP Oliver Ong and co-chaired by DS Butch Blanco. The members included PP Nida Tan, PP Mau Bello, PP Benggel Cabel, PP Kerwin Baldovino and PP Marel Catacutan. For several days, the committee toiled for long hours to deliberate on the digital “bid books” of the different clubs. As a novel idea, the committee had foregone with the traditional printed bid books and went for the high tech soft version in CDs or USBs for easy comparison of accomplishments in digital format. Great job...Awards Committee and congratulations to our awardees.

Finally, we should not also forget the Rotaractors who helped in the registration and in going on those errands for items that addressed the minutest details of the conference setup. Keep it up future Rotarians.

To all these marvelous ladies and gentlemen as well as those who in one way or another contributed to the great success of Discon 2011, our hats off to you. God bless D3850.

IPP Emilio “Emil” Aquino, MPH

Something old, something new

Most Rotarians know that for several decades, Rotary has operated with four Avenues of Service: namely Club Service, Vocational Service, Community Service, and International Service. But an unusual thing happened at the 2010 Council on Legislation! The proposed enactment to add a fifth Avenue of Service was approved by the Council after being rejected at previous Councils.

The new avenue is called New Generations Service, and there is some confusion and concern about the impact of the change. The proposer of the enactment did not file a statement of support, and therefore, we do not have a written statement of the proposer’s rationale. However, it seems to me that the purpose and effect is to focus more attention on the Rotary programs for youth and young adults.

Rotary’s programs of Interact, RYLA, Rotaract, and Rotary Youth Exchange are some of the best in the world for young people. However, they have been divided between Community Service and International Service at the club level and district level, which has made it more difficult for them to be coordinated. The change to five Avenues of Service will provide a single director or coordinator for each club and each district to supervise and promote the Rotary programs for young people.

Our work with youth and young adults has two salutary benefits. First, the favorable influence on the participants by their exposure to the core values of Rotary, which are fellowship, service, integrity, diversity, and leadership. Second, the positive memory of Rotary that often causes the participants to join Rotary clubs later in their lives. We need to do a better job of recruiting the participants into Rotary membership, and we are working on plans to record the names and e-mail addresses of the participants to stay in touch with them as they leave the youth and young adult programs.

So in reality, the 2010 Council on Legislation did not create any new programs. But adding the fifth Avenue of Service will facilitate our quest to make the youth and young adult programs even Bigger, Better, and Bolder in the future – and to recruit even more of the participants into Rotary membership. The perfect example of a win-win situation!

PHILIPPINE COLLEGE OF ROTARY GOVERNORS

My warmest felicitations to the Rotarians and their spouses of Rotary International District 3850 on the occasion of your District Conference 2011.

R.I.D 3850, formerly R.I.D 385 is the oldest district in Mindanao and Visayas where the foundation stone of Rotary's growth was laid. With your District vast years of experience in Rotary, and the well planned and balance programme. This DISCON 2011 will surely be informative, entertaining and an enjoyable one.

A District Conference is an important event when fellow Rotarians gather together to discuss and review their service programs and accomplishments. It is a time to up-date and increase our Rotary knowledge and share Rotary information on the Global and national events of significance. With all the challenging and inspirational speakers for both the plenary and interactive session, it will add new insights into the wonderful world of Rotary service and fellowship. I am sure this DISCON will help clubs to assimilate the newly inducted Rotarians and allow them to better understand Rotary and its programmes and cherished their new friendship.

I look forward to be with you in Building Communities and Bridging Continents through your programs for the benefit of humanity. May this occasion inspire you to strengthen your resolve to be of greater service to mankind.

In behalf of the Directors and members of the Philippine College of Governors, I salute and congratulate District Governor James “McGyver” Makasiar and the DISCON executive and working committee headed by PP Raymond Padayhag for giving the district what should be a truly memorable and successful DISCON 2011.

Rotary Brings
Hope

James Cesar L. Makasiar
District Governor, D.3850, R.I.
Zamboanga City, Philippines

Dear Governor McGyver:

You will soon have your district conference, and I want to send you my good wishes that you greatly succeed at it. The district conference is a very important district meeting. It is in fact the most significant event of the year except when some unusual national or international event may overshadow it. It is so because it is in the district conference that the clubs celebrate their accomplishments of the year, where Rotarians from all over the district meet to renew friendships and start new ones, where officers can learn from each other, and where everyone gets inspired to serve more and better through Rotary. I hope you have all of that success in your conference.

You are fortunate to have an excellent Personal Representative of the President at your conference. Past District Governor Frederick Lin is a very outstanding Rotarian and a personal friend. Taiwan has many very good Rotarian leaders, but I count Frederick among the best of them. He is a great friend of the Philippines who has already extended his own personal help as well as that of his district in support of important Philippine projects. I also expect he will be called upon to render more service to Rotary in the coming years. Please extend to him and to his dear wife Jane my cordial greetings.

You are also fortunate to have the support of so many outstanding and helpful past governors, many of whom I have known from their remarkable service to Rotary and the district. I have of course a special personal friendship for Past Governors Charlie Rieth, Tony Veloso, and Tony Gatuslao whom I have known even before I became president, more than a quarter of a century ago. Please extend my greetings especially to PDG Charlie, who I hope is now doing well.

I am a witness to what may be considered the rebirth of your district. D.385 used to be the only district in the whole country. In 1964, that district was divided into two – Districts 380 and 385; I was the first governor of D.380, and Dadong Gallardo of Bacolod was the governor of the other. That other district, which was later renumbered as D.3850, was left with only 24 clubs. But, thanks to the remarkable work of Dadong Gallardo and of his worthy successors, those 24 clubs gave birth to all the clubs that now make up the three districts: D.3850, D.3860, and D.3870. I hope their example will be an inspiration to all Rotarians in all three districts.

Have a really good conference. Please give my warm regards to your good wife Tess.

SECRETARY’S CORNER

With 568 registered delegates including Anns of Rotarians, we have made a record of sorts as far as attendance for the recently concluded DISCON dubbed as “Alegria Na Zamboanga” to a climactic end. Under the leadership of Gov. James Makasiar, we saw a deluge of VIP’s from the RI President’s Representative in the person of PDG Frederick Lin and his lovely Lady Ann Jane to various PDG’s led by PCRG Chair Jaime Dee, PDG Chick and Nannette, PDG Toto Locsin, PDG Dave Villanueva, PDG Charles Reith, PDG Tony Veloso, PDG Manny TateI, PDG Emma Nava, PDG Eric Laviña (+) and IPDG Edgar SY.

Most notably present was PDG Hea Kon Oh, of Nam Seong Nam, District 3600 who came all the way from South Korea to grace the occasion with three PPs in the person of PP Kim Sung Oh, PP Kim Chul Soo, and PP Young Gil Lee. As our sister club of the Rotary Club of Zamboanga City West, Rotary Club of Nam Seong Nam turned over on the said occasion 10 brand new computer sets for distribution including 300 pcs. of clothing materials. Another sister club, the Rotary Club of Manila Metro was on hand to lend support for the occasion was led by Pres. George Chong, IPP Peter Ngo, PP Manny Wong and PP George Ng.

We would like to take time out in mentioning the clubs with the most number of delegates who gave their support and presence in making the DISCON event a very memorable one for Gov James and Lady Tess and of course not discounting the Rotarians from Zamboanga who took time out in making the delegates comfortable in their brief stay with us. First in the list is led by Rotary Club of Basilan with (24) twenty four delegates. A close second is Rotary Club of Bacolod North with (21) twenty one delegates and thirdly, to Rotary Club of Silay and to Rotary Club of Bacolod Central with (15) fifteen delegates. Not discounting the local delegates from the city led by Rotary Club of Zamboanga City West with (81) eighty one participants and the Rotary Club of Zamboanga City with (46) forty six in attendance. To all the various club under District 3850, we would like to thank you for making the DISCON 2011 a very successful affair to remember. To all the awardees for the most outstanding and numerous awards, may you continue your valued contribution to your respective communities with much “gusto” in the future.

Muchas gracias por el ustedes presencia y supporta.!!!!!!

PAUL HARRIS FELLOW RECOGNITIONS

My friends,

We are approaching that time of the year when things start to get a little frantic in this office as we strive to deliver excellence in service to those clubs and Rotarians wanting to recognise their colleagues with the presentation of Paul Harris Fellow Recognition. Club and District Changeover time is the time we all like to recognize people in this special way but it does put additional pressures on our system.

One way of overcoming this problem is to ask clubs to submit their applications early - and the earlier the better. Anything received after June 6th will be doubtful in terms of delivery before the end of June although we will always do our best to accommodate the numerous “last minute” and “urgent” request we receive.

It would be truly helpful if Foundation Chairs could get a note out to all clubs highlighting this issue. While I realise the normal way of transmitting this information is through a Governors Newsletter or a Foundation Newsletter, I fear it may be too late if left until the June issues. A note direct to clubs on this specific matter immediately would be highly appreciated and more beneficial to clubs.

Best wishes

Bruce
